

# 26<sup>th</sup> Annual Pleasant Days

## Saturday, August 7<sup>th</sup>, 2021

You are invited to be part of our Annual Pleasant Days event! It's a great opportunity to hold a sale at your residence or bargain hunt at one of the dozens of sales throughout Pleasant Township. Bring the kids to see the fire trucks at Pleasant Volunteer Fire Department's open house.

❖ **Our famous Chicken BBQ starts at 11 AM.** Come early before we sell out!

While you are at the fire station, chat with one of our dedicated volunteers about how you can help your local fire department. There are lots of opportunities to serve besides fighting fires!

While we can't advertise each sale location individually, we would love to know if you plan to have a sale. Please return the form below with your information.

As always, your donations are appreciated to help with the expenses of this community event. For more information, call 814-723-4649.
